

## Protective measures during the corona period for the tour programme in the Olympic Stadium

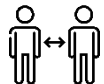

29.05.2020

Please book your place contactless in advance for the tours via [www.touren-olympiapark.de](http://www.touren-olympiapark.de). Vouchers can be purchased via the webshop [www.shop.olympiapark.de](http://www.shop.olympiapark.de). If you pay on site, please use your EC- or credit card if possible.

If possible, fill out your declaration of participation in advance. This will be sent to you by mail when you book your place. We also have explanations and pens for you at our base camp. The pens are disinfected regularly by us.

Please pay attention to the distance rules (1.5 - 2m) during the tour and when staying in the Olympic Stadium, even within the cordoned off areas at the base camp.

At the cash desk, at the briefing and in the waiting area mouth protection is compulsory. If you do not have a mask with you, you can purchase one from us. During the tour, a mask must only be worn in narrow places. Please follow the instructions of the guides.

Disinfection dispensers are available in the entrance area and in the referral area. You are welcome to use them.

The toilets of the Olympic Stadium are only a few meters away from our base camp. There are also wash basins with soap dispensers and paper towels. The toilets are cleaned regularly.

Our rental equipment (equipment, harnesses, helmets...) will be disinfected or aired thoroughly after return and before the next tour.

Only one group at a time is allowed in our restricted area.

Please note the cough and sneeze label!

Guests with cold and/or flu symptoms cannot take part in the tour.
